

Partnership rules (dealership)

This document provides rules for resellers, dealers (distributors). These rules must be followed in order to maintain the status of an official representative in the partner's country of sale.

Rules for obtaining of an authorized dealer (reseller) status:

1. Order 3 or more units of the same product
2. Provide the necessary information: Name (company), phone number, email, logo image and site (if any)
3. Your information will be posted on our website in the section Dealers (cobrartp.com/en/dealers)
4. Inform the country of dealership (where it is supposed to sell our product)
5. Discuss the cost of goods in the country of sale (individually)
6. Sign the current document.

Rules for maintaining the status of an authorized dealer (reseller):

1. The publication or advertising of our product must be agreed with us
2. To support clients in the country of dealership (in case of problems with the goods, inform us and assist in helping the client by coordinating actions with us)
3. It is forbidden to change the name of the CobraRTPTM trademark when distributing our product
4. Price changes must be agreed with us

General remarks

- If a device malfunctions are detected, we provide the guarantees described here: https://cobrartp.com/en/terms_of_service/.

- The payment and delivery policy between the dealer (reseller) and the customer does not apply to company policy, and may have methods established by the dealer.

I agree with the terms:
